On behalf of the Flier Football Foundation and the Flier Bidy Football Program we would like to invite you to get a jump start on the bidy football season for the fall of 2016. On Wednesday June 15th we will be meeting for early sign ups, (get this out of the way and save \$5 dollars) get a physical form, get sizing on helmets and pads, gather general information on starting dates and times for the fall. This is also a good time to meet the coaches of the 5th and 6th grade teams and ask any questions that you might have.
