GREEN SPRINGS SCHOOL PARENT NEWSLETTER, MR. RANDY STOCKMASTER, PRINCIPAL

February 18, 2016

## NEWS FROM MR. STOCKMASTER, PRINCIPAL

I want to thank all of our pickup parents for your cooperation with dismissal at the end of the day. Many large traffic backups happened as a result of not utilizing our entire pickup loop. While it would be great if we could load every child right at the front doors, that is not possible with the number of children who are picked up each day. Keep in mind that you must keep pulling up, all the way around the loop, and not leave an empty space in front of your car. It is also very important that you do not leave your car while it is parked in the loop. If everyone follows this procedure, it makes things less stressful for everyone picking up a child. There was great improvement over the past week which makes things faster for pickup and safer for our students!

In an earlier newsletter I presented the many changes that the Ohio Department of Education had made regarding the

The students here at Green Springs School work very hard to learn what is expected of them. We expect a great deal from our students each day. We recognize this and also like to have activities here where our students can celebrate their school and come back to just have fun. We have partnered with our Green Springs Boosters to plan some upcoming events. One event is being planned for just students while the second is a family event. On Friday, March 4th we will be having a movie night for all of our students. Details are still being planned and we will be sending information home

### Movie Night
